

PRESS RELEASE

Lotus Business School (LBS) in agreement with **Shiv Khera Institute of Leadership & Management (SKILM)** has established a centre for Leadership Excellence in the city of Pune.

To overcome an alarming deficit in the area of Leadership within the business world, LBS has recently signed an MoU with Mr. Shiv Khera, an internationally respected Author, Educator & Business consultant.

Mr. Shiv Khera's purpose in creating this center for leadership excellence is **"to prepare graduates to succeed in Business/corporate world"**.

Mr. Shiv Khera's objective is **"To create Leaders who can manage, Not managers who cannot lead™"**. It appeals to those who are committed to stand out as professionals ready to face the challenges of the future, fully equipped with practical ideas and thought processes that are innovative.

Trustee and Executive Director Mr. Charudatta Bodhankar is very enthusiastic about the sanctity of the Leadership Programme offered by **SKILM**. With Mr. Shiv Khera, one of the most sought after and celebrated speakers in the world, our program is not just another MBA but unparalleled in the industry. This dynamic programme will provide a value addition based on in-depth study and research on Leadership by Mr. Shiv Khera.

Those seeking an opportunity to enroll into this course will undergo the Leadership Programme by Mr. Shiv Khera and upon successful completion, shall be granted a highly respected Certificate of Achievement from **SKILM**.

Students will also be able to learn from faculties of premier B-schools from across the globe. This program in its true sense is global.

As stated by Mr. Charudatta Bodhankar, those who endure the rigors of this curriculum will have a competitive advantage over others in the corporate/business world. Our content is based on current market intelligence and addresses contemporary needs, is delivered by both the Industry and the academic stalwarts.

To seek admission to this unique programme, graduates need to appear for Lotus Aptitude Test at
