Teach Success Principles & Avoid Pitfalls

A Special Leadership Program for Schools

Objective: Blue Print for Success Jr. is a transformation program for school children with the objective of preparing them to successfully face the challenges of life.

In today's challenging environment every child needs direction.

Parents and teachers can inculcate the right values, to help children live life with respect and dignity.

This program is the outcome of Mr. Shiv Khera's 40 years of experience and is specially designed to inculcate leadership qualities amongst students embedding the following three core values:

- Integrity • Respect • Responsibility

Programme methodology:

- Lectures • Group Activities & Presentations
- Role Plays • Audio-Visual Presentations

Course Award:

Upon successful completion of this program, every participant shall receive a Certificate of Achievement.

The child learns to live a meaningful life.
